

1	A	B	C	D	E	F	G
	Course Name	Platform	Level	Duration	Certificate	Link	Skills Covered
2	AWS Machine Learning Foundations	Amazon Web Services (AWS)	Beginner	~20 hours	Free (AWS Digital Badge)	https://aws.amazon.com/training/learn-about/machine-learning	AWS SageMaker, data preparation, model training, deployment, AI services
3	DataCamp: AI Fundamentals	DataCamp	Beginner	~2 hours	Free (DataCamp Statement of Accomplishment)	https://www.datacamp.com/courses/ai-fundamentals	AI types, neural networks, deep learning, AI ethics, real-world applications
4	DataCamp: Data Literacy	DataCamp	Beginner	~2 hours	Free (DataCamp Statement of Accomplishment)	https://www.datacamp.com/courses/data-literacy	Data types, data collection, data quality, data storytelling, visualization
5	DataCamp: Data Science for Everyone	DataCamp	Beginner	~2 hours	Free (DataCamp Statement of Accomplishment)	https://www.datacamp.com/courses/data-science-for-everyone	Data science workflow, statistics, data visualization, business applications
6	DataCamp: Generative AI Concepts	DataCamp	Beginner	~2 hours	Free (DataCamp Statement of Accomplishment)	https://www.datacamp.com/courses/generative-ai-concepts	GenAI concepts, LLMs, transformers, prompt engineering, AI ethics
7	DataCamp: Large Language Models (LLMs) Concepts	DataCamp	Beginner	~2 hours	Free (DataCamp Statement of Accomplishment)	https://www.datacamp.com/courses/large-language-models-llms-concepts	LLM architecture, transformers, prompt engineering, fine-tuning, applications
8	DataCamp: Machine Learning for Everyone	DataCamp	Beginner	~2 hours	Free (DataCamp Statement of Accomplishment)	https://www.datacamp.com/courses/machine-learning-for-everyone	ML workflow, supervised/unsupervised learning, model evaluation, real-world cases
9	DataCamp: Understanding Data Science	DataCamp	Beginner	~2 hours	Free (DataCamp Statement of Accomplishment)	https://www.datacamp.com/courses/understanding-data-science	Data science process, statistics, Python, data visualization, modeling
10	DeepLearning.AI: Machine Learning Specialization (Audit)	DeepLearning.AI (Coursera)	Beginner	~3 months	Free Audit (No paid cert)	https://www.coursera.org/specializations/machine-learning-introduction	Linear regression, logistic regression, neural networks, SVMs, clustering
11	Google AI Essentials	Google	Beginner	~10 hours	Free (Google Digital Badge)	https://www.cloudskillsboost.google/course_templates/976	AI basics, prompt engineering, responsible AI, real-world AI applications
12	IBM SkillsBuild: AI Fundamentals	IBM SkillsBuild	Beginner	~10 hours	Free (IBM Digital Badge)	https://skillsbuild.org	AI concepts, Watson, machine learning basics, AI ethics
13	IBM SkillsBuild: Generative AI Fundamentals	IBM SkillsBuild	Beginner	~10 hours	Free (IBM Digital Badge)	https://skillsbuild.org	Generative AI, LLMs, prompt engineering, AI applications
14	Kaggle Learn: Data Visualization	Kaggle	Beginner	~4 hours	Free (Kaggle Certificate)	https://www.kaggle.com/learn/data-visualization	Matplotlib, Seaborn, data storytelling, visualization best practices
15	Kaggle Learn: Intro to Machine Learning	Kaggle	Beginner	~3 hours	Free (Kaggle Certificate)	https://www.kaggle.com/learn/intro-to-machine-learning	Python, scikit-learn, decision trees, random forests, model validation
16	Kaggle Learn: Pandas	Kaggle	Beginner	~4 hours	Free (Kaggle Certificate)	https://www.kaggle.com/learn/pandas	Data manipulation, filtering, grouping, merging, time series
17	Microsoft AI Fundamentals	Microsoft Learn	Beginner	~4 hours	Free (Microsoft Digital Badge)	https://learn.microsoft.com/en-us/training/paths/get-started-with-artificial-intelligence-on-azure	AI concepts, Azure AI services, machine learning basics, responsible AI
18	Microsoft Azure AI Fundamentals	Microsoft Learn	Beginner	~4 hours	Free (Microsoft Digital Badge)	https://learn.microsoft.com/en-us/training/paths/ai-fundamentals	Azure ML, computer vision, NLP, conversational AI, responsible AI
19	Elements of AI	University of Helsinki / Reaktor	Beginner	~30 hours	Free (LinkedIn Badge + PDF)	https://www.elementsofai.com	AI concepts, machine learning, neural networks, societal impact of AI
20	DeepLearning.AI: Deep Learning Specialization (Audit)	DeepLearning.AI (Coursera)	Intermediate	~4 months	Free Audit (No paid cert)	https://www.coursera.org/specializations/deep-learning	CNNs, RNNs, LSTMs, optimization, hyperparameter tuning, structuring ML projects
21	DeepLearning.AI: Generative AI with LLMs (Audit)	DeepLearning.AI (Coursera)	Intermediate	~3 weeks	Free Audit (No paid cert)	https://www.coursera.org/learn/generative-ai-with-llms	LLMs, transformers, fine-tuning, RLHF, prompt engineering, deployment
22	DeepLearning.AI: NLP Specialization (Audit)	DeepLearning.AI (Coursera)	Intermediate	~4 months	Free Audit (No paid cert)	https://www.coursera.org/specializations/natural-language-processing	Logistic regression, Naive Bayes, word embeddings, sequence models, attention
23	Fast.ai: Practical Deep Learning for Coders	Fast.ai	Intermediate	~7 weeks	Free (Fast.ai Certificate)	https://course.fast.ai	FastAI, PyTorch, CNNs, NLP, tabular data, deployment
24	Google Machine Learning Crash Course	Google	Intermediate	~15 hours	Free (Google Digital Badge)	https://developers.google.com/machine-learning/crash-course	TensorFlow, linear regression, classification, neural networks, gradient descent
25	Harvard CS50's Introduction to AI with Python	Harvard University (edX)	Intermediate	~7 weeks	Free Audit (No paid cert)	https://cs50.harvard.edu/ai	Search algorithms, knowledge representation, uncertainty, optimization, neural networks, NLP
26	Hugging Face Audio Course	Hugging Face	Intermediate	Self-paced	Free (Hugging Face Certificate)	https://huggingface.co/learn/audio-course	Audio classification, speech recognition, Wav2Vec2, datasets
27	Hugging Face NLP Course	Hugging Face	Intermediate	Self-paced	Free (Hugging Face Certificate)	https://huggingface.co/learn/nlp-course	Transformers, BERT, GPT, Hugging Face ecosystem, fine-tuning
28	Hugging Face Open Source AI Cookbook	Hugging Face	Intermediate	Self-paced	Free (Hugging Face Certificate)	https://huggingface.co/learn/cookbook	Open-source AI tools, recipes, practical implementations
29	IBM SkillsBuild: Machine Learning Fundamentals	IBM SkillsBuild	Intermediate	~10 hours	Free (IBM Digital Badge)	https://skillsbuild.org	Supervised/unsupervised learning, regression, classification, clustering
30	Kaggle Learn: Computer Vision	Kaggle	Intermediate	~4 hours	Free (Kaggle Certificate)	https://www.kaggle.com/learn/computer-vision	Image classification, CNNs, data augmentation, transfer learning
31	Kaggle Learn: Generative AI	Kaggle	Intermediate	~3 hours	Free (Kaggle Certificate)	https://www.kaggle.com/learn/generative-ai	LLMs, prompt engineering, text generation, fine-tuning
32	Kaggle Learn: Intermediate Machine Learning	Kaggle	Intermediate	~4 hours	Free (Kaggle Certificate)	https://www.kaggle.com/learn/intermediate-machine-learning	XGBoost, data leakage, cross-validation, feature engineering
33	Kaggle Learn: Intro to Deep Learning	Kaggle	Intermediate	~4 hours	Free (Kaggle Certificate)	https://www.kaggle.com/learn/intro-to-deep-learning	TensorFlow/Keras, neural networks, CNNs, transfer learning
34	Kaggle Learn: Natural Language Processing	Kaggle	Intermediate	~4 hours	Free (Kaggle Certificate)	https://www.kaggle.com/learn/natural-language-processing	Text classification, sentiment analysis, word embeddings, transformers
35	MIT 6.034: Artificial Intelligence	MIT OpenCourseWare	Intermediate	Self-paced	Free (No formal cert, full materials)	https://ocw.mit.edu/courses/6-034-artificial-intelligence-fall-2010	Search, constraint satisfaction, games, knowledge representation, learning, neural networks
36	Building AI	University of Helsinki / Reaktor	Intermediate	~50 hours	Free (LinkedIn Badge + PDF)	https://buildingai.elementsofai.com	Python, search algorithms, optimization, machine learning, real-world AI projects
37	Fast.ai: From Deep Learning Foundations to Stable Diffusion	Fast.ai	Advanced	~7 weeks	Free (Fast.ai Certificate)	https://course.fast.ai/part2	PyTorch, diffusion models, stable diffusion, deep learning from scratch
38	Hugging Face Diffusion Models Course	Hugging Face	Advanced	Self-paced	Free (Hugging Face Certificate)	https://huggingface.co/learn/diffusion-course	Diffusion models, Stable Diffusion, image generation, fine-tuning
39	Stanford CS229: Machine Learning	Stanford University	Advanced	Self-paced	Free (No formal cert, full materials)	https://cs229.stanford.edu	Supervised learning, unsupervised learning, reinforcement learning, deep learning, SVMs
